

Paul Swing is seasoned pet and House sitter. I have known Paul since high school and reconnected with him almost 10 years ago as we needed a pet sitter. He is loves dogs, always on time, stays in your home, and cleans up. When asked to send a text upon arrival he is quick to do it. If instructions are given for pet meds or special diets, he is on top of it and never afraid to ask questions if he is unclear. You would be lucky to have Paul Oversee your Pets and home while on vacation or out of town for business. Having someone stay at the house while your away gives you peace of mind. If you have pets with anxiety having an in-home pet sitter is the way to go. Both my dogs have come to know Paul and are always excited to see him.
